

January 11th 2008

Dear Pacific Baseball Supporter:

From the day I had the opportunity to become the head coach of the University of Pacific Baseball program my mission has been to *build an integrated program which successfully competes on a national level, consistently develops graduating student-athletes who excel in the classroom, on the field, in their communities and in life while providing affordable family oriented entertainment to Stockton and the surrounding communities.*

A cornerstone to achieving that mission will be the first annual **Pacific Baseball Community Night**. On Wednesday, February 6th, **The Paulsen Family** will sponsor an exclusive dinner that will introduce the 2008 Tigers, recognize two professional players with roots in Stockton, and feature a highly accomplished keynote speaker.

I hope you and your friends and families come out to meet our team and gain inspiration from the words of former Olympic Gold Medalist and major league baseball star **Jim Abbott**. We will also present Stagg High School alum and Oakland A's pitcher **Dallas Braden** with the San Joaquin County Professional Player of the Year Award and recognize our 2007 MVP, **Justin Baum**.

We have a limited number of Table Sponsorship & Ticket opportunities available. You and your guests will enjoy a first class meal, photo and autograph opportunities, adult and youth raffle, and a chance to talk baseball with current, future and past big leaguers. Tables and available tickets are filling up fast. In order to reserve your table and tickets please return the attached Ticket & Sponsorship Order Form as soon as possible. Contact Grant Christensen for additional information (209-602-4447).

I look forward to seeing you on the 6th and very much appreciate your loyal support!

Regards,

A handwritten signature in blue ink, appearing to read "Ed Sprague", with a stylized flourish at the end.

Ed Sprague
Head Baseball Coach
University of the Pacific
